

Sport England's Community Asset Fund - Pre-application Checklist

Please complete this checklist before beginning your Community Asset Fund EOI. If in doubt about anything, please check the Community Asset Fund Guide.

Are you applying for capital funding?

Does your project need £1K to £15K for emergency works **or**

Does your project need £15K to £50K for upgrading or developing a facility **or**

Yes	No

Does your project need £50K to £150K for a larger scale project. If yes can you

* Demonstrate a considerable impact or are you targeting under-represented groups?

* And you have not received funding from Sport England before

If you answered no to the relevant questions above, your project might not be eligible for a grant through the Community Asset Fund. Please contact Sport England before applying, otherwise continue.

Are you looking for funding for a small scale cricket project:

* Pitch covers

* Kitchen and social area

* Energy/water consumption

* Flood defence measures

If you answered yes to the relevant questions above, your project might not be eligible for a grant through the Community Asset Fund. Please contact Sport England before applying, otherwise continue.

Are you looking for funding for funding for a football only project?

--	--

If you answered yes, please contact Derbyshire FA as your project is not eligible through the Community Asset Fund.

Does your organisation currently own or lease the facility, or looking to lease or own the facility?

--	--

If you answered no to the relevant questions above, your project might not be eligible for a grant through the Community Asset Fund. Please contact Sport England before applying, otherwise continue.

If your organisation is a statutory body or education establishment can you:

* Provide a minimum of £1 for £1 partnership funding

* Demonstrate the strategic need for the project proportional to the scale of investment?

If you answered no to the relevant questions above, your project might not be eligible for a grant through the Community Asset Fund. Please contact Sport England before applying, otherwise continue.

If you answered Yes to the relevant questions above, it is likely that your project is eligible for funding from the Community Asset fund. You must read the Fund Guide and the Developing Your Idea leaflet for this fund before applying to maximise the chances of success.
